## Getting to the Hands On Silom office

### **BTS: Saladaeng (Exit: 2)**

From the platform come down to the road level via exit number 2. The escalator has a one way system, thus when you go down the stairs you are facing the wrong way so will need to turn and walk the other way down Silom road. After about 4-5 minutes you will get to a junction with Convent Road, cross over Convent road and keep walking past McDonald's, and you will see a sign for 'Kamolsukosol' – and we are on the 15th floor. This is about a 10 minute walk.

### **MRT: Silom (Exit: 2)**

Go up to road level using exit number 2 and this will take you out onto Silom. Walk down Silom road past Saladaeng sky train station, over the junction with Convent Road, past the McDonald's and shortly afterwards (the next but one building) you will see a sign for 'Kamolsukosol' – and we are on the 15th floor. This is about a 15 minute walk.

### **Taxi**

Take a taxi to Silom road – although we are in Kamolsukosol building this isn't as well known by all the taxi drivers as CP Tower, a bigger building almost next door. If the driver does not recognise Kamolsukosol ask for CP Tower on Silom road. This is the building with the McDonald's. If you stand facing McDonald's look to your right and you will see the sign for Kamolsukosol on the next but one building - and we are on the 15th floor. This is about a 2 minute walk. Alternatively show the address below to the driver.
